Patrick and Mabel are well known at GGP, Patrick for his colour-saturated landscapes, and for her most famed theme, Moon & Star Dreaming. Betty Carrington's delicate works featured with husband Patrick's here in 2007. Madigan Thomas is an elder who pioneered a sensual use of line and many new ochre colour variations from the creamy and pastel palettes used today. Her sense of humour and deep well of stories make her work unique. The mid-career artist David Cox's deeply worked surfaces and minimalist imagery command an equally deep response.</p>
<p>25 November– 20 December Melbourne</p>	<p>Alcaston Gallery 11 Brunswick Street, Fitzroy, Vic Tel 03-9418 6444 www.alcastongallery.com.au</p> <p>Wrong Love: Star-Crossed Lovers of the Kimberley Gija law has a complex system of skin names that signify relationships that circumscribe who can be married, who can't. Some of the most interesting artworks, like Mabel Juli's <i>Karngin Ngarrangkarni</i> (Moon & Star Dreaming), tell stories of the breaking of these taboos.</p>
